

The Blue Jays Jazz & Funk Band | Jazz at the Fountain Square Sept. 22nd

1	Lead Vox - Neveah	6	Elec. Sax DI (Mono)	11	Rack Tom 2
2	Emcee Vox - Alex	7	Trombone Clip-Mic	12	Floor Tom
3	Emcee Vox #2 - David	8	Kick	13	OH L
4	Keys Stereo DI	9	Snare	14	OH R
5	Alto/Tenor Sax CLMic	10	Rack Tom 1	15	Upright Bass PU/DI

All clip-on horn mics are provided by the band (Audio Technica Pro35's (+48v))

Bass payer may bring an additional electric bass but use the same amp most likely.

We'd all love our own monitors, preferably stereo for Keys and Lead Vox. A subwoofer would be great for the drummer if possible.

A tall, self-standing Blue Jays Banner may be displayed on Stage Right behind the horns.

A few seats off stage would be nice for our musicians who aren't performing every song.

A drum riser would be greatly appreciated!

Thanks, Alex Toth | Band Leader
